TASTING NOTES

Gold Medal - Gilbert & Gaillard International Challenge 2024

Transport yourself to the South of France with this delicious and superbly packaged Rosé named after the cooling sea breeze. Red fruits mingle with savoury and saline elements to give a delightfully drinkable wine perfectly suited to any occasion and especially a warm summer evening.

Winery notes (2023 Vintage)

"Brilliant pale pink in the glass. Aromas are delicate with light red fruit and Spring blossom notes. The light bodied palate is pleasantly fresh and crisp in the style of a classical Provençal rose with delicate red fruit notes and a subtle minerality and a clean dry finish.

vintage, it remains the reference, synonymous with quality and relaxed enjoyment.

Legend has it that Phoenician ships, carried on a steady sea breeze ("brise marine"), landed on the Mediterranean coast in the 6th century BC. They brought with them the knowledge of vine growing and winemaking. To celebrate the legend, the Estandon winemakers have created this "Brise Marine" vin de pays and invite you to taste the fruit of their region's history.

Provence Region. Shallow, schist and silty soils. Foothills of the Massif des Maures on sunny hillside slopes."

5 Stars & 93/100 Sam Kim, Wine Orbit, April 2024 (2023 Vintage)

"It's delicately aromatic on the nose with Gala apple, strawberry, floral and lemon peel notes, leading to a brightly expressed palate offering juicy fruit flavours with zesty acidity. Mouth-watering and delightfully appealing. At its best: now to 2026."

92/100 Ken Garret, WinePilot.com, June 2024 (2023 Vintage)

"The grapes here, a blend of Grenache, Syrah and Cinsault, hail from the foothills of the Massif des Maures, in the Provence region. I am assured that 'brise maritime' means sea breeze, which seems apt. An orange pink hue to this wine. Lovely fragrances with notes of strawberries and cream to the fore and red berries throughout. A juicy style with a good flick of acidity, nicely balanced and excellent length, there is lots to like here. Now for six years, this is good value."
