TASTING NOTES

This **top-selling Provincial Rosé** has just landed with a fresh new vintage and a snazzy new label to match. It's a pure, crisp drop that doesn't try to be complex or life-changing, just downright delicious. It's a perfect example of why Provence Rosé is still one of the hottest trends in the wine world.

A blend of Cinsault, Grenache and Syrah, this Southern French Rosé looks the part, drinks beautifully, and is priced to sell!

Winery notes (2024 Vintage)

"Brilliant pale pink in the glass. Aromas are delicate with light red fruit and Spring blossom notes. The light bodied palate is pleasantly fresh and crisp in the style of a classical Provençal rose with delicate red fruit notes and a subtle minerality and a clean dry finish.

Estandon has been expressing the personality of the Côtes de Provence A.O.C. wines with talent since 1947. Vintage after vintage, it remains the reference, synonymous with quality and relaxed enjoyment.

Legend has it that Phoenician ships, carried on a steady sea breeze ("brise marine"), landed on the Mediterranean coast in

the 6th century BC. They brought with them the knowledge of vine growing and winemaking. To celebrate the legend, the Estandon winemakers have created this "Brise Marine" vin de pays and invite you to taste the fruit of their region's history.

Provence Region. Shallow, schist and silty soils. Foothills of the Massif des Maures on sunny hillside slopes."

5 Stars & 93/100 Sam Kim, Wine Orbit, May 2025 (2024 Vintage)

"It's finely scented on the nose, showing sweet strawberry, lemon zest, nectarine, and jasmine nuances. This leads to a crisp-dry palate offering youthful fruit flavours with fine texture and bright acidity. Elegant and poised, making it fabulously appealing. At its best: now to 2027."

91/100 Ken Garret, WinePilot.com, May 2025 (2024 Vintage)

"Provençal Rosé is definitely the darling of the wine world at the moment, hugely popular with consumers and deservedly so. A blend of Grenache, Cinsault and Syrah, the wine went through a thermoregulated fermentation (a technical and impressive way of saying that the temperature was controlled throughout). An orange pink colour, the wine is of medium length, with good direction, bright acidity and a fresh and clean finish. There is a line of oyster shell acidity running the length. The nose gives us notes of citrus, raspberries and florals. Extremely pleasant drinking and should continue to be so over the next couple of years."
