TASTING NOTES

Winery notes (2022 Vintage)

"Estandon works in partnership with winemakers, who strive to protect and respect their terroir. This organic wine reflects the optimum growing conditions of the vines which are left to reveal their true character and the force of their terroir. This rosé comes from the Center Var terroir where its rocky soil ensures good drainage of excess water and maintains the summer heat. The vines are cultivated there in accordance with the specifications of organic farming.

Bright and clear, pale pink colour. The nose discloses characteristic aromas of stone fruits such as apricot and yellow peach. Direct on entry to the palate and offering up notes of exotic fruits. The palate is well-balanced with a smooth finish."
