TASTING NOTES

Winery notes (2024 Vintage)
"Discover Arc du Soleil Rosé, one of the finest rosé wines in the Famille Perrin collection. With a label inspired by the striking La Porte du Soleil sculpture, created in 1989 by renowned artist Ivan Avoscan, this exceptional Camargue Rosé captures the essence of sun-drenched vineyards and the beauty of the Mediterranean coast.

A particularly floral nose with a superb aromatic bouquet, featuring notes of hibiscus and frangipani, complemented by citrus hints of calamondin and orange blossom. Full-bodied and smooth on the palate, with a fleshy texture and seductive aromas of orange blossom, iris, and garrigue. The long, very saline finish beautifully reflects the influence of the sandy terroir."
