TASTING NOTES

Winery notes (2025 Vintage)
"Felton Road farms four properties totalling 34 ha in the Bannockburn subregion of Central Otago. Calvert Vineyard is located on Felton Road and is just 1km east of The Elms Vineyard and the winery. The soils at Calvert are deep heavy silts with a thin layer of loess topsoil.

The unique gravity flow winery enabled the grapes to be gently destemmed directly into open-top fermenters without harsh pumping with approximately 25% retained as whole clusters. Long pre-fermentation soaks of 9 days prior to fermentation with indigenous yeasts and punched down by hand up to two times per day, with a total time on skins of 22-25 days. Pressed off and barrels filled immediately by gravity to the underground barrel cellars. The wine spent 17 months in barrel (20% new French) with two rackings and no fining or filtration, before bottling in late-August 2026.

Deep, serious, complex – a reflection of the vines' travails following the frost of 3 November? Perhaps; but these are descriptors which attach themselves to Calvert with regularity - much as 'violets', 'pomegranate', and 'amaro' do – all apt in this wine. Characteristic clay-derived tannins deftly hold the palate, relaxing into a silky finish. In 2025, frost robbed Calvert of some of its yield but none of its character. "

97/100 James Suckling (2024 Vintage)

Explore a World of Wine

"The purity and integrity of the fruit on the nose is impressive, with ripe strawberries, orange peel and hints of white pepper and dried herbs. It’s medium-bodied with crunchy fruit, lovely fruit tannins and a vivid finish. A mix of Dijon clones. From biodynamically grown grapes."

Rated Outstanding & 96/100 Cameron Douglas MS, December 2025 (2024 Vintage)
"Fantastic bouquet with scents and flavours of sand and clay, spice and dark berry fruits **.** Dried raspberry and boysenberry, layers with smoky wood and clove, plum and violets. There’s a wild dried herb quality and as the wine opens out the intensity and complexity of each flavours grows. A dry wine with firm tannins, lots of polish and energy, acidity carries all the flavours keep the palate engaged throughout. Lengthy and complex a wine to savour when young and older. Best drinking from as early as today through 2038+."
