TASTING NOTES

Winery notes

"Fonseca Tawny spends three years ageing in small wooden casks, generally holding about 630 litres.

As it matures in cask, Tawny Port gradually loses the deep red 'ruby' colour of youth and takes on the seductive amber hue known as 'tawny'. At the same time the wine becomes progressively smoother and mellower, its aromas gaining in richness and complexity.

After the three years of ageing the wines are then blended together a few months before bottling for balance and harmony. Fonseca tawnies are bottled for immediate drinking.

Tawny-red colour fading to brick on the rim. The seductive nose displays aromas of apricot and plum with mellow undertones of butterscotch and spice. On the palate, the rich jammy flavours are lifted on the finish by an attractive crisp acidity."
