TASTING NOTES

Gold Medal - National Wine Awards of Aotearoa New Zealand 2024

Forrest Estate consistently produce an impressive Gewürztraminer from their vineyard site in Marlborough's Southern Valleys. The 2024 vintage has beautiful aromatics of rosewater, turkish delight, pear drop and florals while the palate shows good weight and texture with rich flavours of pear and quince.

Winery notes (2024 Vintage)

"Enticing aromas of lychee and rambutan mingle with a subtle note of candied pineapple. The palate reveals layers of banana, passionfruit, and fresh Turkish delight, with just a whisper of spice. A gentle toasty coconut oak influence adds depth, creating a beautifully balanced and exotic finish."
