TASTING NOTES

Cidery notes

"Blanc is a new cuvée and the evolution of our super popular L'Orange. Sauvignon Blanc skins from the Urlar Vineyard in Gladstone (courtesy of Jannine from Huntress Wines) co-fermented with fresh pressed Braeburn, Fuji and Crab Apples, then aged in tank for a full nine months.

Sitting somewhere in between a wine and a cider, it's full bodied and textural with a solid tannin structure and a bone dry finish."
