TASTING NOTES

Cidery Notes (2024 Vintage)

"The start of something special. This is a brand new label and we plan to only use it for very limited small batch releases. It's an orchard blend combining tanks spanning multiple vintages with no less than six ingredients; Plums, Quinces, Fujis, Galas, Pears and Crab Apples. It's the full orchard in one bottle and really epitomises our desire to produce unique fruit driven wines. Certified Organic, Natural ferment, No Additives. 500 Bottles Produced."
