### TASTING NOTES

#### Brewery notes

"A very special Grand Cru edition of our Garage classic, first brewed back in 2023 to celebrate the 10 year anniversary of Hops on Pointe, now back for round 2, in all of it's original gilded glory. Brewed with extra premium malts, Nelson Sauvignon hops and bottle conditioned with champagne yeast. The result is an extra strong golden pilsner with a crisp, citrus and crushed grape palate, rich tropical fruit aromas and lively, persistent effervescence."
