TASTING NOTES

Brewery notes

"About Home & Away: A series of rebrews bringing some of our funnest overseas collaborations back to the Garage. For this release we bring you Sunrise Valley, originally brewed in Canton, Massachusetts with east coast brewing legends Trillium using a radical hop free boil and massive dry hop addition of New Zealand Nelson Sauvín and Rakau hops. Bringing home the goodness."

Michael Donaldson, drinksbiz Magazine October/November 2024

"Garage Project's Sunrise Valley was originally brewed in Canton, Massachusetts with east coast brewing legends Trillium. Dry hopped with New Zealand Nelson Sauvín and Rakau hops."
