TASTING NOTES

A vibrant organic Shiraz from superb producers in the McLaren Vale. Gemtree have quality organic vineyards and serious commitment to non-intervention methods, making wines of real depth and authenticity. This Shiraz enjoys nice freshness with oodles of spicy dark berries in a bright, dense and harmonious palate.

Winery notes (2021 Vintage)

"At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines. Matured in French oak barrels, Dragon's Blood Shiraz is a soft and juicy wine brimming with rich dark berry flavours.

Stuart Knox, The Real Review (2021 Vintage)

"Deep purple stains the glass. Blood plums, anise and dried herbs on the nose. It's young and vigorous on the palate. Unashamedly full-bodied but carries its enthusiasm with charm and balance. Straightforward and fun - **it is a lot of wine at this price.**"
