### TASTING NOTES

A vibrant organic Shiraz from superb producers in the McLaren Vale. Gemtree have quality organic vineyards and serious commitment to non-intervention methods, making wines of real depth and authenticity. This Shiraz enjoys nice freshness with oodles of spicy dark berries in a bright, dense and harmonious palate.

#### Winery notes (2021 Vintage)

"At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines. Matured in French oak barrels, Dragon's Blood Shiraz is a soft and juicy wine brimming with rich dark berry flavours.

#### Stuart Knox, The Real Review (2021 Vintage)

"Deep purple stains the glass. Blood plums, anise and dried herbs on the nose. It's young and vigorous on the palate. Unashamedly full-bodied but carries its enthusiasm with charm and balance. Straightforward and fun - **it is a lot of wine at this price.**"
