TASTING NOTES

A very popular Rose, with unique packaging and a delicious wine inside! A delicate and dry style from France's Mediterranean south, this label celebrates a place called the Cotes de Roses on the coastal plains near Gruissan and Narbonne. The special glass-stoppered bottle looks like a rose when up-turned. A wonderful aperitif and seafood wine, and a very beautiful gift!

Winery notes (2023 Vintage)

"A soft, pale, brilliant pink with bluish tints developing over time towards more orangey nuances. The bouquet releases aromas of summer fruits, cassis and redcurrant. Floral notes of rose along with hints of grapefruit complete the picture. The finish is fresh, offering notes of candy. On the palate the impression is fresh and full, with great aromatic persistence and balance. Pairs well as an as an aperitif or with shellfish and subtly spiced dishes."

"This wine invites you to experience a rosé with a rebel streak. Pink-orange in colour, it opens with rosehip, dried cherry, cranberry, strawberry and white blossom. The midpalate trends towards fulsome in body with an assertive flash of heft on the finish."

Tamlyn Currin, jancisrobinson.com (2023 Vintage)

"Some people will love this wine for its half-skittle shape and rose-moulded punt. Made very much in the Provence style, with a little more fruit and certainly at a much more affordable price. Our local gin distillery, a small family-run affair, make a delicious rhubarb gin macerated with real rhubarb and this could easily pass as the wine version. I like the dash of watermelon-pith bitterness and black-cardamom liquorice. Very smooth, very polished."
