### TASTING NOTES

From the famous Clayvin vineyard, a living tribute to Marlborough's viticultural history, comes this outstanding Pinot Noir. Established in 1993, Clayvin Vineyard was Marlborough's first significant hillside vineyard. It is North facing, has high density planting and is farmed organically. It is world renown for producing some of New Zealand's very best Pinot Noir. This is one of them.

#### Winery notes (2016 Vintage)

"The journey of each Single Vineyard wine starts in a Marlborough vineyard selected for its unique terroir and climate. They are then nurtured with meticulous hands-on viticulture to ensure fruit produces highly concentrated flavour. Our winemaking expertise then allows these wines to speak for themselves, their purity becoming a showcase of the land.

Established in 1993, Clayvin Vineyard was Marlborough's first significant hillside vineyard. North facing, the vineyard planting is high density. This density creates natural competition among the vines, reducing vigour, promoting root structure and intensity of flavour. It also means that the vineyard only produces 'one bottle of Clayvin Pinot Noir per vine'.

With our Clayvin vineyard being so special, we love to do collabs with other passionate organic winemakers. The fruit for this wine came from an area in Clayvin which has great purity of fruit and a lovely floral character of rose petal. The Pinot Noir

fruit was processed and crafted in another winery - we love seeing what our fruit can do! 2016 was a more elegant vintage, really showcasing the perfumed elegance of the vineyard. With the wonderful elegance the 2016 vintage gave us, you will see great floral perfume with intense concentration and supple tannins. The winemaking style ensures fantastic freshness and perfect balance."
