5 Stars & 95/100 Bob Campbell MW, The Real Review (2014 Vintage)

"Very sweet, concentrated Sauvignon Blanc, with classic varietal passion fruit and tropical fruit flavours plus apricot, pineapple and orange blossom. The wine has an appealing and ethereal lightness and impeccable balance which prevents any suggestion of cloying. Delicious now but could develop even more interesting flavours in time."

94/100 James Suckling, October 2018 (2014 Vintage)

"Incredibly concentrated ripe, sweet fruit. This delivers aromas of dried apricots and orange marmalade. Bergamot and lychees on the palate. Superb purity and ultra-rich texture."
