TASTING NOTES

Distillery notes

"Gin Primo comes from Romagna, an Italian region on the Adriatic sea. This Gin express the true sense of the region mixing gin, salt and local botanicals, with no dyes or preservatives. It is made of 100% natural botanicals processed within 24 hours of picking. The botanicals are subject to a vacuum distillation at low temperature (rotary evaporation).

Bright crystalline colour. The nose perceives classic hints of juniper and light hints of salt, lavender and citrus. At first taste, the salt of Romagna is immediately decisive, accompanied by the balsamic/ bitter note of the juniper, while the lemon notes of the citron grass and the floral notes of lavender emerge. It is a gin of great power and harmonious balance in its aromatic flavours."
