TASTING NOTES

**Rated a Massive 99 points by Luca Maroni, Leading Italian Wine Critic
Gold Medal - New Zealand International Wine Show 2023**

With all the love shown for Giordano Riserva Primitivo we thought we should take a look at a step up in the range. With a massive 99 points from Luca Maroni who works on a 99 point evaluation system we thought this must be something rather special, and it is!

While still showing that heft and grunt of the Riserva it also offers a certain refinement along with multiple layers of complexity and allure. Full and intense yet with a brightness and verve through the finish to keep the charm offensive going. Bravo!

"Ripe grapes of the prestigious Primitivo vine variety do not get harvested, but are left on the vine so that their ripening can go on. After about 15 days, grapes are overripen and dry out directly on the vine, giving us a Primitivo with a complex bouquet of red fruits, raisins and clear hints of marasca cherry. In the mouth it develops all its arrogance, its body is captivating, mature and enhanced especially by its aging in barrique. Primitivo Appassimento Rinforzato is a wine which remains in your memory for its strong character and great personality."
