TASTING NOTES

Godelia Mencía 2019 is designed from old vines from different parts of the Bierzo region. It displays all the elegance, subtlety and freshness of the region's main variety, Mencía. It's the flagship wine of the Godelia winery, a red with abundant fruity notes that blend beautifully with notes from ageing (12 months in oak). Very pleasant to drink, fresh, fleshy and elegant, with a great finish. Quality and distinction.
