TASTING NOTES

A classy Albarino from a top producer in the traditional area of North Eastern Spain. The Esencia offers a classic layering of plump orchard fruit along with mouthwatering, salty-mineral freshness. A great wine for the price, the Esencia is one to try for European white lovers.

"The Piñeiro Cores family has grown wine for generations. They began by cultivating small vineyards, then gradually reorganized and replaced the original grape variety with Albariño grapes on small plots of land across the Rias Baixas region. Adegas Gran Vinun was created in 2002 to continue the family style, and currently produces Albariño wines which are included in the D.O. Rias Baixas. Adegas Gran Vinun's vineyards are ideally located on hillsides overlooking the Umia River and the Ría de Arosa near Cambados in the Pontevedra province, Galicia."
