### TASTING NOTES

#### drinksbiz Magazine, January 2019

"A French luxury vodka brand developed in the mid-90s. Grey Goose is made in France from locally grown wheat and spring water and its cellar master is Francois Thibault, a former cognac producer. The Grey Goose bottle features an illustration of French geese in flight.

This premium vodka is made from winter wheat grown in Picardy and spring water from the Cognac region. It has a gentle floral aroma and is smooth on the palate with a slight sweetness, a hint of almond and a lingering finish."
