Highly Commended - New Zealand Gin Guide 2021

Produced in Hastings, Hawke's Bay, by Kate Galloway (ex winemaker at Alpha Domus) and David Ramonteu whose family are winemakers in the Pyrenees. Hastings Distillers is New Zealand's first producer of certified organic artisan spirits and liqueurs. Their decades long backgrounds in winemaking provide an ideal starting point to further explore our long time love of all things botanical and spiritous.

Maker notes

"A bold and aromatic Gin containing 10 Organic botanicals, of which 8 are from Hawkes Bay. Batch distilled in our 150L Arnold Holstein still and cut to strength with Kaweka spring water. Top notes of citrus and juniper. Angelica Root and Kaffir lime bring floral hints and complex herbal notes. Perfect for a fresh Gin and tonic or a smooth addition to any Martini or cocktail."

Sarah Miller, drinksbiz Magazine, October / November 2024

"Fresh, intense lime on the nose of this certified organic gin leads to a clean and refreshing palate of lime and juniper with a hint of spice. The lingering finish is of zesty lime."
