TASTING NOTES

Produced in Hastings, Hawke's Bay, by Kate Galloway (ex winemaker at Alpha Domus) and David Ramonteu whose family are winemakers in the Pyrenees. Hastings Distillers is New Zealand's first producer of certified organic artisan spirits and liqueurs. Their decades long backgrounds in winemaking provide an ideal starting point to further explore our long time love of all things botanical and spiritous.

Maker notes

"A bitter-sweet infusion of New Zealand grown organic Seville oranges, selected roots and flowers. Batch infused and cut to strength with Kaweka spring water. Vibrant notes of fresh orange, tangerine and red apple combine with the bitterness of liquorice, wormwood and gentian.

Serve long with sparkling water for a refreshing bitter-sweet drink. Perfect for Negroni, Americano and any other cocktail requiring a bittersweet orange liqueur."
