TASTING NOTES

World's No.1 Bourbon. Perfect for any occasion. The depth of flavour intensifies in the mouth and the delicate aroma has a hint of vanilla.

drinksbiz Magazine

"Jim Beam is the world's number one selling Kentucky bourbon. It traces its history back to 1795 when Jacob Beam sold his first barrel of 'Old Jake Beam', based on a corn-whiskey recipe created by his father. The family distillery, known as 'Old Tub' passed through the generations until 1894 when Col. James Beam took over from his father. In 1943, a decade after the end of Prohibition, 'Old Tub Kentucky Bourbon' changed its name to Jim Beam, in honour of the Colonel, who died five years later.

This is the classic expression of Jim Beam, which is the world's number one-selling Kentucky bourbon. It has aromas of oak with a hint of vanilla and cinnamon, while the flavour is caramel and spicy fruit with subtle coffee and chocolate. Full-flavoured with a smooth finish."
