Winery notes (2022 Vintage)

"Delicate aromas of cherry and mint with hints of toast and spice. Rich black fruits and berries on the palate complemented with elegant oak and a nuance of chocolate.

These Cabernet vines are grown along the banks of the Goulburn River, the sandy soils accentuating the grapes flavour and colour. The grapes are picked at their peak ripeness and brought into the winery where fermentation occurs and the wine is gently turned over every 8 hours. This gentle extraction aims to find the perfect balance between fruit flavour, tannin and structure. The wine goes through natural malolactic fermentation and post racking is tucked away in French oak puncheons. After regular tasting and once the wine has reached its ideal balance, select barrels are blended together and put into bottle."

"Beautifully ripe and fragrant, the inviting bouquet shows blackcurrant, vanilla, olive and cedar characters with a hint of floral overtone. The palate is equally satisfying with succulent fruit flavours backed silky texture and finely pitched tannins, finishing long and comforting. At its best: now to 2033."
