### TASTING NOTES

#### Winery notes (2023 Vintage)

"Skraalhans is a gangly weed found in our vineyards, often growing taller than the Bush vines themselves. Our hands-off approach has allowed the vineyards to shine through, giving the wine a profound sense of place. This new, vibrant version of Pinotage is bright, fresh and elegant

This wine is dominated by red fruits with classic cherry and mulberry notes. With a vibrant palate and sweet tannins, this wine has a plush and bright finish.

Grapes were machine harvested at 22.0 balling to preserve freshness and maintain lower alcohol. The must was inoculated with biodynamic yeast and only spent 3 days on the skins with two light pump-overs per day. After gently pressing, the wine was transferred to stainless steel tanks for malo-lactic conversion. After completion the wine is age for 11 months in tank with gentle micro-oxygenation to give the wine a smooth finish."
