TASTING NOTES

Winery notes (2024 Vintage)

"Our Albariño shows nectarine, unripe apricot, melon and floral notes yet has an absorbing savoury, smokey, lanolin character from old oak and lees contact. Dry with an amazing slippery mid-palate, followed by a mouth watering acidity. Brioche, citrus pith and raw almond flavours finish the palate while a mild salinity helps the wine linger.

Albariño - 100% - Clone 635 and MS. Fruit was destemmed and left on skins for 24 hours before being pressed direct to 500L puncheons with full solids. All old French oak. After a few days, wild fermentation spontaneously started and progressed for 12 days with a maximum temperature of 23 deg C. Post fermentation the wine was stirred a few times and left to mature at cool temperatures. 50% of the wine went through malolactic fermentation. Minimal sulphur was added after 3 months. After total of 9 months of barrel maturation, the wine was racked to tank for bottling. No fining or filtration."
