TASTING NOTES

Gold Medal - Balkan International Wine Competition 2023

A deliciously crisp red from the foothills of Mount Vermio in Macedonia. This label is described as a "cuvée villages" because it is sourced from Xinomavro vines in the Naoussa area from which the wine gets its name. With delicate red fruits framed by fine tannins and fresh acidity, the Naoussa is a great drop for the lover of unique and lighter reds.

Winery notes (2020 Vintage)

"The wine is light ruby. It has intense aromatic profile, characterized by red fruits like cherry and strawberry. On the palate, Naoussa Kir-Yianni is light and fresh with soft tannins and medium body. It can be enjoyed pleasantly on its own or it can be paired with cheese, red sauces and cold cuts

The viticultural zone of Naoussa, lies on the foothills of mountain Vermio in Macedonia, covers an area of 500 ha at an altitude of 80- 350m. The climate is Mediterranean with continental influences with mild winters and relatively hot summers. The annual rainfall is up to 650 mm. For the label of Naoussa, Kir-Yianni, were selected young vines from the Estate and from the broader zone of the area which show great aromatic character and are planted at lower pH soils."
