## TASTING NOTES

**Winery notes** (2024 Vintage)
"Syrah, a grape variety originating in the Rhone Valley that has become very popular internationally, thrives in the Languedoc region. This is a rich, powerful wine that combines aromas and flavours of red fruit and a touch of menthol with a refreshing finish reminiscent of forest undergrowth.

The majority of the cuvée is crafted according to the method used traditionally in the South of France known as “la cocotte” (the casserole) – at the end of alcoholic fermentation, the pomace is completely submerged. This allows for slow, gentle extraction of the tannins and colour pigments to give the wines pleasing velvety tannins and good concentration. A portion of the cuvée is oak aged, for a touch of spice that suits Syrah particularly well.

Les Jamelles Syrah boasts deep colour and a syrupy consistency. Its wild fruit (raspberry, redcurrant, blackcurrant) and floral (violet) aromas harmonize with flavours of spices, vanilla and cinnamon, along with a touch of mint. This wine is very rich and full on the palate, with a touch of minerality as well as a long, silky finish that is of rare complexity and boasts a lovely lasting hint of liquorice."
