Winery notes (2023 Vintage)

"This wine was crafted mainly from Grenache and Carignan grapes from several carefully selected terroirs in the Aude department, where the hot, dry, and extremely sunny climate allows for optimal ripening of the grapes.

best: now to 2026."

90/100 Cameron Douglas MS, November 2024 (2023 Vintage)

"A lovely soft and fruity wine with a lifted floral bouquet and red fruited core. Flavours of cherry and red apple, tropical fruit tea and dry stone granite-like mineral qualities. Dry, balanced and well made with plenty of acidity, fruit and panache. Best drinking from day of purchase through end of summer 2027."
