TASTING NOTES

We have been impressed by the whole range of Les Janelles wines and so have you based on how much of their rosé we sell, so when the importer mentioned they are bringing in a red blend to add to the range we thought it might be worth taking a look. Well, we are glad we did...

The Les Petites Janelles range is made for immediate enjoyment with the brief being fruity, supple and balanced wines - they have nailed the brief. It's a style of wine that the south of France has perfected, and when looking in the right places, there are wines of **incredible value to be had; this is one of those wines**.

The blend of the Grenache's herbal, red, fruity notes and the Carignan's strong liquorice and spicy palate work so well here to ultimately produce a wine that overdelivers in every way.

We can see this becoming the go-to quaffer for many of you looking for a juicy red to take along to the weekend barbeque.

Winery notes (2022 Vintage)

calcareous clay soils in the Aude and Hérault departments.

Endowed with deep crimson colour tinted with vivid highlights, this wine offers a bouquet of ripe red and black fruit (raspberry, blackberry), spices, pepper and cinnamon. Starts off soft and round on the palate with silky structure. The tannins are bold, but not overbearing. The wine is lively and fruity, boasting a warm, fruity finish."

5 Stars & 91/100 Sam Kim, Wine Orbit, October 2024 (2022 Vintage)

"Delightfully fruited and inviting, the wine shows raspberry, ripe cherry, floral, subtle spice and nutmeg aromas on the nose. The palate is equally charming with succulent fruit flavours with supple texture and fine-grained tannins, finishing long and silky. At its best: now to 2028."
