TASTING NOTES

This is a magnificent Viognier that doesn't hold back. Packed full of flavour and intensity, there is nothing shy here. Coming in at a hefty 14.5% alc but by no means 'hot', you are rewarded with a wine of incredible texture and mouthfeel, with layers of honeysuckle and stone fruits, finishing with length that belies its modest price point.

Winery notes (2026 Vintage)

"Vibrant floral, apricot, honeysuckle and lychee aromas lead into a satin textured, fresh and balanced palate with flavours of white nectarine, tangerine and mild spices.

The 2026 growing season experienced a warm and dry start, during Spring flowering, helping to naturally moderate crop for higher wine quality later. The climate then led into an unsettled start to summer before an long hot, dry sustained weather pattern followed, carrying through to the Autumn season. This enabled us to retain acidity and preserve the natural developed flavours, allowing healthy fruit, in perfect balance and flavour, to be harvested, 24th March 2026."
