TASTING NOTES

Distillery notes

"A warm and familiar taste of apple pie with an unexpected depth of flavour, intertwined with the tartness of freshly picked apple, fresh ginger, and nutmeg for a rounded finish. The layers of flavour from this vibrant gin come from a depth of spice and crisp apple, combining for a pleasant mouth feel and full body introduced by naturally pressed apple juice. Each create a tantalising drinking experience that will take you on a journey through apple orchards with friends.

This is a Hazy Cloudy Gin, settling of the natural ingredients will occur, please shake well prior to opening for maximum enjoyment."
