TASTING NOTES

A stunning Chardonnay from Saint Veran, one of the top villages in the super-value Maconnais. On the border with Southern Burgundy, warm Saint Veran makes inexpensive whites on lime chalk soils very much like the region's most famous Chardonnay zones. The vineyards are especially mineral-rich, located near the limestone cliffs of Solutre. Un-oaked but plump, juicy and flinty, this gorgeous wine is a must for near-term pleasure.
