TASTING NOTES

A rich concentrated dessert wine with the distinctive flavour of the Moscatel grape. Smooth and mellow with a very clean aftertaste. There's a strong Muscat-like note to this, with apricot, orange and floral notes. It's lively and sweet but balanced with acidity, and the alcohol is well-integrated. The ideal dessert wine, perfect with cakes, pastries and chocolate.

Winery notes

"The Moscatel grapes, cultivated in our vineyard Las Cruces are laid out in the sun until they become raisins. Dark mahogany colour with a iodine rim. Intense floral and citric aromas, showing Moscatel varietal at its best. Smooth and rich on the palate, reminiscent of dried fruits and spices. This wine has great length and sweetness, yet balanced by its natural acidity. 210 g/L rs."
