TASTING NOTES

This is the epitome of champagne. If Marc Chauvet's non-vintage Brut Tradition is all that is good about everyday champagne drinking (if such a thing even exists!) with 4 years before disgorging, then this 2016 vintage has spent 6 years before disgorging and is simply a delightfully elegant and silky top bottle of champagne. You would have to spend a lot more money to find a wine as good as this with a famous name!
