### TASTING NOTES

The methods at Lapierre are just as revolutionary as they are traditional; the detail and precision with which they work is striking and entirely different from the mass-produced majority of Beaujolais on the market today. Decomposed granite comprises most of their eleven hectares, and the vines are an average of 45 years of age. Grapes are picked at the last possible moment to obtain the ripest fruit, which is a trademark of the estate style. The Lapierrés age their wines on fine lees for at least nine months in oak foudres and fûts ranging from three to thirteen years old. These wines are the essence of Morgon: bright, fleshy fruit with a palatable.

Reviews for previous vintages below...

#### **91/100 Robert Parker's Wine Advocate** (2020 Vintage)

"Lapierre's 2020 Morgon offers up aromas of plummy fruit and raspberries mingled with hints of petals and spices. Medium-bodied, satiny and enveloping, its succulent core of fruit is framed by melting tannins and mouthwatering acids. This thirst-quenching, fruit-driven Morgon is one of the purest, most precise young wines I've tasted from this address in recent years."

#### **95/100 James Suckling** (2019 Vintage)

"Lots of red and black bramble fruit on the nose with flowers, wet earth, old vine, moss and citrus peel, following through to a medium-to full-bodied palate with light, round tannins and a bright, vivid finish. It develops beautifully in the glass giving more and more purity of fruit and creamy round tannins. Low sulfur. From one of the masters of Beaujolais. Drink now."
