TASTING NOTES

Maker notes

"Since 1863, MARTINI has brought people together through the quintessentially Italian experience of Aperitivo. With recipes passed down through generations of master blenders, MARTINI is challenging the perceptions of non-alcoholic drinks with a range that demonstrates amazing choice and taste without compromise. When moderating alcohol, you will never have to miss out on the moments full of flavour. Introducing Vibrante, our deliciously complex, citrusy Aperitivo.

This non-alcoholic Aperitivo begins the same way as Martini's alcoholic drinks. The same quality of wines, herbs, and botanicals are selected by master herbalists and sourced from our growers. Combining over 150 years of traditional expertise with a modern twist they bring the vibrancy and complexity of their ingredients to life.

After they slowly remove the alcohol from their wine, preserving the authentic characteristics, they infuse the flavours of their superior botanicals, including Artemisia and Bergamot. The result is an Aperitivo that's unmistakably MARTINI."
