TASTING NOTES

Brewery Notes

"Like the legend itself, Brigadoon appears bright and vivid out of the haze, a proper West Coast IPA with a glowing golden pour, a firm, unmistakable bitterness and all the attitude you'd hope for.

Dank resin, fresh pine and sharp citrus drive the palate, popping with classic hop character from start to finish. Crisp, punchy and built with old-school bite, this one doesn't drift quietly into view, it arrives with purpose and leaves a lasting impression."
