### TASTING NOTES

#### Brewery Notes

"Where mountains meet water, and the blue goes on forever. Bright, golden and crystal clear, this IPA delivers crisp citrus lift, soft tropical notes and a clean, balanced finish. Filtered for clarity, brewed for drinkability. A vibrant hop lineup of NZ 112, Motueka and Rhapsody brings layers of zesty lime, ripe tropical fruit and subtle floral lift, adding depth while keeping things sharp and refreshing. Fresh. Endless."
