TASTING NOTES

Brewery Notes

"Bright skies, warm sand, and a breeze that smells like summer, welcome to the Islands of Paradise. This unfiltered pale ale bursts with lush passionfruit and ripe stonefruit aromas, layered over a hint of citrus zest.

Smooth, light, and softly hazy, it rolls across the palate with gentle sweetness and a clean, dry finish that keeps you coming back for another sip. Fresh, juicy, and easygoing. A little slice of paradise in every sip."
