TASTING NOTES

Founded by Jason Momoa and Blaine Halvorson, Meili (May-Li) Vodka is a premium grain vodka, made using incredibly pure, untreated and unfiltered water. It's brilliantly designed 750ml bottle uses recycled, post-consumer glass and put simply - it's one of the coolest looking bottles we've seen. The vodka itself has been masterful crafted to be perfect with ice. Meili is smooth, pure and exhibits a bright, effortless flavour profile. The quality of the ingredients shine through and can be appreciated across all palates.
