TASTING NOTES

Few wines capture the carefree spirit of a Mediterranean summer quite like Mirabeau Forever Summer Rosé. The story of Maison Mirabeau began in 2009 when British couple Stephen and Jeany Cronk swapped their London lives for Provence to pursue their dream of making wine. Fast forward to today and Mirabeau has become one of the UK's most popular Provence Rosé producers, with wines enjoyed in over 50 countries. Forever Summer delivers their signature southern French style in a wonderfully affordable, easy drinking package. A little taste of the French Riviera without the airfare!

Beautifully pale apricot pink in colour, this is everything you want from a refreshing Mediterranean Rosé. Fragrant aromas of raspberry, pomegranate and summer berries are complemented by a delicate hint of spice. The palate is juicy and rounded, with flavours of white cherry and red fruits leading to a crisp, citrus fresh finish. Dry, vibrant and dangerously moreish, it's equally at home as a sunny afternoon aperitif or alongside seafood, fresh salads and Mediterranean cuisine. Summer in a glass!

Winery notes (2024 Vintage)
"Forever Summer is an ode to joie de vivre. This rosé wine evokes gorgeous sunshine, a beautiful blue sky and moments of sharing. Mirabeau uses their blending experience and sources Grenache wines from a wider geographical area to produce this fresh and joyful non-appellation wine. A perfect aperitif for any occasion, but also gorgeous with all kinds of easy foods or

picnics.

An attractive pale apricot colour. On the nose, bursting with notes of red fruits, raspberries and pomegranate, underpinned by a delicate hint of peppery spice. A round and fruitful taste profile, with white cherry and pomegranate, leading to a fine citrus fresh finish."

5 Stars & 94/100 Sam Kim, Wine Orbit (2024 Vintage)
"Elegant and restrained, the bouquet reveals crisp apple, lemon peel, oatmeal, and wild strawberry nuances. This leads to an elegantly weighted palate that offers a lively mouthfeel with juicy acidity, making it crisp and dry with a lingering, mouth-watering finish. At its best: now to 2027."
