TASTING NOTES

Brewery notes

"Tui and La like Yin and yang are, a harmonious pair of IPAs, each with a distinct personality. La, the Black IPA, offers a bold blend of roasted malt and piney hops, delivering a rich, robust flavour. Tui, our White IPA, boasts a bright, citrusy profile with hints of tropical fruit, perfect for those who seek a refreshing twist with Belgian yeast. Both crafted at 6.3% ABV, these brews embody balance and contrast, reflecting the duality of light and dark. Embrace the unity of opposites and experience the perfect equilibrium with Yin and Yang. Cheers to the seamless blend of difference and harmony!"
