TASTING NOTES

After not being available in the South Island for some time, Tart Rhubarb Cider is back by popular demand! From Mount Brewing in Mt Maunganui, our most popular cider by far is the perfect balance of sweet and tartness and is just the thing for enjoying in the upcoming warmer summer months. At a great price, this cider won't be around for long, so get in quick!

Cidery Notes

"Delicious New Zealand apples create a refreshingly crisp cider combined with tart Rhubarb, tuning this cider an elegant shade of pink and providing the perfect touch of sweetness. Not too dry, not too sweet, spring in a glass!"

Gold Medal - Top 30 New World Beer & Cider Awards

The judges were in love with it: "Very attractive rhubarb aromas. Beautifully balanced with sweetness. Lovely depth and length. Very enjoyable. Impressive fruit expression."
