### TASTING NOTES

Only produced in outstanding vintages, Mount Brown Estates Grand Reserve is a Chardonnay of impressive power and class. This Chardonnay packs a flavour punch - ripe grapefruit peel, savoury smoky flavours on a mouth-filling palate. We are fortunate indeed to be able to enjoy a locally produced Chardonnay of this quality at what can only be described as a 'bargain price'. A world class Chardonnay full of personality.

#### Winery notes (2023 Vintage)

"Ripe stonefruit, with vanilla oak aromas. Full bodied, dry with peach flavours and a delicious hint of citrus. Our Chardonnay clones were selected to produce high quality Chardonnay. Low yields, gravel soils and a dry summer brought out the very best of these clones.

Only 160 dozen bottles were made of this outstanding Chardonnay. Gently pressed directly to barrel where it underwent a cool ferment followed by full malolactic fermentation. After that it was allowed to age in barrel for about 15 months (100%

**Rated Outstanding & 95/100 Cameron Douglas MS, December 2024** (2023 Vintage)

"A generous and enticing bouquet of ripe stone fruits and baking spices of barrel, French vanilla and nutmeg with baked peach and pineapple, then a grapefruit and clay quality. Full-bodied, textured and delicious on the palate. Dry with a backbone of acidity capturing flavours of baked peach and citrus, smoky barrel spices and kitchen spice-cupboard ideas. Well made, delicious and ready to drink from day of purchase through 2029+. Fabulous value."
