TASTING NOTES

Since building their own winery in 2013, the wines of Mount Brown have been going from strength to strength with much show success and great reviews across a number of varieties and, it would seem, an ever growing following out there in the marketplace. The 2024 Pinot Gris is just off-dry in style with plenty of fruit packed into it. Subtle honey notes and cleansing acidity give it great persistence. Delicious drinking and really sharply priced!

Winery notes (2024 Vintage)

"This delicious wine has upfront fruit with lovely pear and peach flavours. Some subtle quince and spice notes add to the complexity. Some residual sugar (7g) results in a medium-full palate with great texture."

5 Stars & 94/100 Sam Kim, Wine Orbit, October 2024 (2024 Vintage)

"Wonderfully ripe and fragrant, the wine shows ripe apricot, rockmelon, spiced pear and rich floral aromas on the nose. The palate is equally satisfying with excellent weight and silky texture, splendidly framed by juicy acidity, finishing delicious and lingering. At its best: now to 2027."

92/100 Cameron Douglas MS, January 2025

(2024 Vintage)

"Classic and enticing bouquet of gently spicy green pear and fresh yellow apples. There's a spice and quince layer along with a leesy residue for complexity. Youthful and fruity. A nice rounded texture touches the palate first, then a contrasting acid line with spice follows. Flavours of pomaceous fruits and white spice, some lees qualities and engaging mouthfeel. Well made with best drinking from day of purchase through mid 2027."
