TASTING NOTES

Winery notes (2024 Vintage)

"The grapes for our 2024 Chenin Blanc come from two sustainably farmed vineyard parcels, both from 46+ year-old dry land, bush vine Chenin grown in the decomposed Granite soils of the Paardeberg.

The grapes were chilled in our cold room then pressed whole-bunch, which allowed for the juice to settle overnight. The juice was then racked to tank and a few older French oak barrels for fermentation with indigenous yeasts and this process lasted approximately six weeks. The barrels were then racked, blended with the tank fermented portion before final settling and bottling.

This wine has a nose of sun ripened pears and petrichor minerality. The palate has a vibrant acidity balanced by a soft, round texture and some pithy character and finishes with a fresh length."

Explore a World of Wine

Grapes come from three parcels, one on schist and two on granite, all more or less 40 years old. Enchanting aromatics of pear, white peach, potpourri and fynbos (South Africa's version of garrigue), while the palate has pure fruit, bright acidity and a pithy finish. Intense without being weighty."
