TASTING NOTES

The importer needs some space for more stock arriving, so we've been offered a very nice price on this value packed Reserve Côtes-du-Rhône.

This is a wine that we have sold a lot of over the past couple of years. We have had many customers who have been previously very happy to pay \$20.99 for this wine- this special offer at \$15.99 makes it one of the **Best French Red buys we have had in a long time!**

To protect the brand this wine is being offered as a mystery wine online - its identity is revealed when you receive it or when you come in-store.

Bob Campbell awarded this as a **wine of the week** last year and described it as "High-energy Côtes-du-Rhône with floral, violet, mixed spice aromas adding up to a moderately complex red that is elegant rather than blockbuster, and very drinkable. A blend of grenache with syrah. Good value at this price."

It was also awarded **Best Buy** in the American Wine Enthusiast Magazine who said "Reflective of the generous 2020 vintage, this wine delivers for its affordable price tag..." and it has also been included in the prestigious French **Le Guide Hachette**
