TASTING NOTES

The importer needs some space for Christmas stock arriving, so we've been offered a very nice price on this 5 Star rated Reserve Côtes-du-Rhône Villages.

We have had many customers who have been previously very happy to pay \$21.99 for this wine- this special offer at \$16.99 makes it one of the **Best French Red buys we have had in a long time!**

To protect the brand this wine is being offered as a mystery wine online - its identity is revealed when you receive it or when you come in-store.

With a wine review score of 94/100 and described as "... A concentrated palate offering plush texture and silky tannins.

Generous and flavoursome with a lingering velvety finish," you can be assured of the wine's quality.

Note - Côtes-du-Rhône Villages is the next step up on the quality ladder and superior quality to the generic Côtes-du-Rhône and this wine is the winery's top wine from within that appellation.
